EMPLOYEE ASSOCIATION

2024 DUES NOTICE

Please continue to show your support for the Illinois Soil & Water Conservation District Employees Association. Your paid membership helps defray costs incurred with statewide employee functions, assist in employee program development, and send delegates to represent Illinois at Regional and National Association Meetings. The paid memberships also help pay for the Employees Association costs for Winter Training and Summer Conference.

SWCD employees are not the only ones that may have a paid membership to the ISWCDEA. We welcome and appreciate associate memberships from SWCD Boards, Individual board members, AISWCD board members, employees from our partner agencies and other interested persons.
